

A MESSAGE FROM THE U.S. DEPARTMENT OF THE TREASURY

‘ Now I don’t have to worry about my dad cashing his Federal check. ’

With Direct Deposit, his Federal benefit is deposited to his account *automatically*.

Starting this January, most Federal payment recipients will get paid automatically by Direct Deposit. That means recipients won’t need to make a special trip to deposit their check. If there is a reason they don’t want Direct Deposit, your dad, mom and anyone else

can still get their payment by check.

Whatever they choose, recipients will continue to receive Federal payments without interruption.

To learn more about Direct Deposit, visit your bank, savings and loan, or credit union. Or call the appropriate Federal paying agency.

DIRECT  **DEPOSIT**

Simple. Safe. Secure.
